Music is only the beginning, with the stage set for storytelling in all its forms, from historic theaters to beautiful galleries and museums, from festivals to studios, from ballet to bluegrass, from vintage films to famous fine crafts.

Tennessee’s diverse musical heritage not only reflects the history of its people but also brings the world to our door.

In the eastern mountains, the ballads of Scotland and Ireland evolved into mountain and bluegrass music, while the rhythms of Africa became the sound of the blues along the Mississippi River. In time, the sounds and traditions of each style met—literally—in the middle, to form the bedrock of today’s country, jazz, gospel and rock music.

Travel the Blues Highway
Start in Memphis, on historic Beale Street, and visit the sights of blues legends like BB King and WC Handy, the father of the blues. Visit the studios and museums where the blues grew into soul and rock music: Stax Records, the Rock n Soul Museum. If you’re a fan of the “King” (who isn’t?), take a look at his life at Elvis Presley’s Graceland. As you travel east out of Memphis, stop in Jackson for the renowned Shannon Street Blues Fest, held every June. Then check out the Rockabilly Hall of Fame for a lesson on music fusion.

The blues are hardly confined to West Tennessee. Check out Sun Records at RCA’s historic Studio B, the Bourbon Street Blues and Boogie Bar and the Music City location of BB King’s. In Chattanooga, visit the Bessie Smith Hall or take in some live music in downtown. In Knoxville, try Sassy Ann’s, the Preservation Pub on Market Square, or other live music venues in the downtown and Old City areas.

Swing Low, Sweet Chariot
For soulful gospel, start in Memphis at the Rev. Al Green’s Full Gospel Tabernacle, a small Pentecostal church led by the most famous singing pastor in America. Take in the musical theaters in Pigeon Forge. Just down the road, inside Dollywood, you can visit the Southern Gospel Music Hall of Fame and Museum. In the Nashville area, check out the Grand Ole Opry and other area venues to see if gospel music is on the bill. And anytime the Fisk Jubilee Singers are nearby, get in line for a shot of beautiful, soulful gospel from this world-famous group.

With gospel music forming the foundation of blues, rock and country music, it’s no surprise that Tennessee is home to a choir full of gospel and Christian country stars. Crossover pop princess Amy Grant and her husband, country crooner Vince Gill, are Nashville fixtures. Multi-platinum rock act Mercy Me showcases a broad range of musical influences. The soulful sounds of CeCe and BeBe Winans and the Rev. Al Green, Michael W. Smith’s trademark power pop and the classic rock sound of Skillet round out the gospel story.

Get Country
Nashville is called Music City for a reason; for fans of country music, it’s the next best thing to heaven. First stop: the Grand Ole Opry, where country’s brightest stars perform night after night. Next visit the “mother church of country music,” the Ryman Auditorium, or head to the Loveless Barn for Music City roots.
For a night on the town, visit the famous musical showcase, The District. Round out your Nashville visit with a trip to the Musicians Hall of Fame and Museum for a look at people who made their mark on music history. Don’t leave town without paying your respects, and maybe hearing some great music, at the Country Music Hall of Fame and Museum, where you can tour, shop, eat or sit in on a songwriter session.

In the Tri-Cities area, start your trip at the Birthplace of Country Music Alliance Museum in Bristol, where you can also hear live music on Thursday nights. The Down Home in Johnson City is a local landmark for country and bluegrass.

Pigeon Forge and Sevierville are hot spots for country music, with a large number of dinner theaters and family-friendly entertainment venues. Dollywood has music galore, with stage shows and street performers. In downtown Knoxville, take the Cradle of Country Music Walking Tour and learn about history from pioneer ballads to rockabilly. While you’re downtown, sit in on the live noon shows at the Knoxville Visitor Center, the free WDVX Blue Plate Special. In downtown Chattanooga, head to the Chattanooga Market; shop, eat and hear some good music, including country acts.

Visit the venues along the Traditional Music Trail of Southeast Tennessee to hear the music of the area’s heritage.

On your way to Knoxville, time your visit to see where bluegrass is taken to new heights—and depths—at the Bluegrass Underground. They’re tuning up for a monthly radio show 333 feet below the earth at Cumberland Caverns in McMinnville.

In Knoxville, take in the live noon performances of bluegrass, roots and Americana acts at the WDVX Blue Plate Special, in the Downtown Visitor Center. Check to see who’s playing at the quirky Laurel Theatre, venue for everything from Celtic to grunge grass. Musical shows abound in Sevierville and Pigeon Forge.

Make your way to the Tri-Cities, where the Star Barber Shop in Bristol is the scene of some old-time pickin’ and traditional string music. Be sure to stop at the Birthplace of Country Music Alliance Museum, which honors the pioneers of traditional Appalachian music and...
features weekly live music. Take in Bluegrass on Broad in Kingsport, the Birthplace of Country Music.

In Nashville, the Station Inn is a must-see, where you’ll the finest bluegrass and roots musicians. The famous Bluebird Café offers a treat for acoustic and traditional music fans as well. You’ll want to visit the Gibson Bluegrass Showcase Museum for an insider’s look at making instruments. While you’re in Middle Tennessee, visit Historic Downtown Sparta, known as Bluegrass U.S.A. Home of bluegrass pioneer Lester Flatt, Sparta has embraced its roots with venues for music, a Lester Flatt memorial, and the restored Oldham Theater.

The Sound of Symphony
Classical music can be found in every major city—and a few smaller ones. Visit the beautiful Schermerhorn Symphony Center in Nashville, at the Orpheum in Memphis, or the state theater in Knoxville, The Tennessee. Chattanooga, Kingsport, Cookeville and Jackson all boast accomplished orchestras.

Classical music can be found in every major city. Visit the Schermerhorn Symphony Center in Nashville or enjoy orchestras in Memphis, Cookeville, Knoxville and Chattanooga.

Rock, Hip-Hop and the Rest
There’s more than traditional music playing here and, once again, Tennesseans lead the way. Memphis superstar Justin Timberlake started his own record label to promote the sounds of the broad variety of music from Tennessee, beginning with the band FreeSoul, a band whose music fuses the sounds of rock, hip-hop, blues and country in a way that is uniquely Tennessee. The Academy Award-winning Three 6 Mafia and rapper Yo Gotti also call Memphis home. Arena rock royalty Kings of Leon have showcased their Tennessee roots in the documentary Talihina Sky. Knoxville is home to Grammy-nominated R.B. Morris and Grammy-winning jazz pianist Donald Brown, in addition to a host of up-and-coming rock acts.

Performing Arts
Newcomers may be surprised by the variety of performing arts venues throughout Tennessee, with historic theaters, state-of-the-art stages, outdoor amphitheaters and small, personal venues that charm as much as they entertain.

Historic theaters are a must-see throughout the state. Chattanooga’s restored Beaux Arts palace, The Tivoli, which cost a million dollars to build in 1921, is a great place for a play, concert or film. In Knoxville, the Tennessee Theatre, a fabulous 1928 movie palace, makes every concert, vintage movie or Broadway show a special event. Every entertainer from Mae West to Sheryl Crow has graced the stage of the historic Ryman Auditorium, the “mother church of country music.” Broadway meets Beale Street at Memphis’s restored, historic Orpheum Theatre, with operas, ballets, touring shows and gospel musicals.

The quirky fun of the world-famous International Storytelling Center in Jonesborough, Tennessee’s oldest town, has revived the art of the telling of tale tales. The Tennessee Performing Arts Center (TPAC) in Nashville regularly hosts an array of theatre presentations and musical events. The restored Franklin Theatre and other small town venues add to the fun.

The Cumberland County Playhouse in Crossville regularly produces new works of Tennessee and Southeastern culture, plus state and regional premieres and revivals of works with Appalachian themes, with nearly 500 performances annually.
